Section 2 – General

1. All Pharmacy Services referred to herein shall be performed by a Clinical Pharmacist in accordance with the Standards, all applicable legislation and all the requirements herein.

2. Subject to all the requirements herein, a Fee may be paid to a Community Pharmacy for the provision of a Pharmacy Service on behalf of a Resident only when a Claim for a Pharmacy Service provided by a Community Pharmacy’s Clinical Pharmacist is submitted to ABC from a Community Pharmacy with a current ABC Pharmacy Agreement in accordance with all the provisions herein.

3. Where in a Service Year a Fee has been paid for an Assessment that results in the preparation and documentation of a CACP for a Resident, no Fee for any Pharmacy Service referred to in sections 3 and 5 shall be claimed or payable in such Service Year in respect of that Resident by any Community Pharmacy.

4. Where in a Service Year a Fee has been paid for an Assessment that results in the preparation and documentation of a SMMA for a Resident, no Fee for any Pharmacy Service referred to in sections 3 and 4 shall be claimed or payable in such Service Year in respect of that Resident by any Community Pharmacy.

5. Subject to the provisions of sections 2(3), and 2(4) above, only one Fee shall be payable for each Resident per day, notwithstanding that there may be one or more Assessment(s) that result in one or more Determinations for such Resident made by one or more Clinical Pharmacists. For clarity, the first Claim for a Pharmacy Service received by ABC on a day shall be the Claim payable.

6. In making a Claim, a Community Pharmacy and the Clinical Pharmacist performing the Pharmacy Service to which such Claim relates agree:
   (a) to use their best efforts to ensure that any and all Pharmacy Services for a Resident are performed simultaneously/concurrently and on one occasion, and not on multiple occasions;
   (b) to use their best efforts to ensure that a service already provided to a Resident by another Health Professional is not duplicated unnecessarily;
   (c) to use their best efforts to ensure that such Pharmacy Service provided to a Resident by such Clinical Pharmacist does not unnecessarily duplicate a service or a Pharmacy Service already provided to such Resident by such Clinical Pharmacist or by another Clinical Pharmacist;
   (d) that where a Pharmacy Service is performed by a Clinical Pharmacist for a Resident at a location other than at a Community Pharmacy, such Clinical Pharmacist shall specify only one Community Pharmacy that may make a Claim in relation to such Pharmacy Service, and such Community Pharmacy shall be responsible for maintaining the Resident’s Record;
   (e) to comply with all the requirements herein, including (without limitation) the retention of all information and documentation required to be retained as specified herein, including (without limitation) all the information referred to in Schedules 5 and 6 hereto and as specified in applicable legislation; and
   (f) to permit ABC and Alberta Health to enter, inspect, and conduct audits and interviews of any persons they consider appropriate, relating to any and all Claims and Pharmacy Services, and to make documents and information (in any format, including paper and electronic) available so that ABC and Alberta Health may review and make copies of all the information and documentation required to be retained as specified herein, including (without limitation) all the information referred to in Schedules 5 and 6 hereto and as specified in applicable legislation.

7. A Clinical Pharmacist who performs a Pharmacy Service for a Resident, and a Community Pharmacy which makes a Claim for such Pharmacy Service pursuant to this Compensation Plan agrees and warrants that, by making such Claim, they:
   (a) accept the Fee properly payable in accordance with all the provisions of this Compensation Plan for such Pharmacy Service; and
   (b) will not charge, bill, or claim, directly or indirectly, from any person, including (without limitation) the Resident, the Resident’s Personal Representative, an insurer, AHS and any health, supportive living, or long term care facility, any amount for performing such Pharmacy Service.
8. A Community Pharmacy at which any Pharmacy Service was performed for a Resident and a Community Pharmacy specified in section 2(6)(d), shall retain the Resident’s Record as required by the applicable legislation, and, in any event, for no less than 10 years.

9. Notwithstanding section 2(8) above, unless a Community Pharmacy is currently subject to an audit or inspection by ABC or Alberta Health, written Prescriptions, transaction records, compounding records and repackaging records for all Drugs that have been dispensed, compounded or repackaged shall be retained in accordance with the Standards for the Operation of Licensed Pharmacies, or for at least 2 years past the completion of drug therapy with regard to the Prescription or for 42 months (3.5 years), from the date of first fill, whichever is the longest period.

10. Notwithstanding anything else herein, in the event that it is determined that any of the provisions of this Compensation Plan, including (without limitation) the provisions of sections 2(6)(a), 2(6)(b), 2(6)(c), and 2(6)(d) have not been complied with, then the Minister may take any remedy the Minister considers appropriate in the circumstances, including (without limitation) determining in the Minister’s sole discretion that Fees were improperly claimed or paid, not paying any Fees claimed, seeking the repayment of any Fees already paid and setting off improperly paid Fees against any future Fees.

11. Notwithstanding anything else herein, the Minister may require any document or information required to be prepared or retained in a Resident’s Record as referred to in this Compensation Plan or in applicable legislation to be uploaded at any and all times onto any electronic system or systems, whether existing or to be developed, as directed by the Minister.

12. This Compensation Plan for Pharmacy Services is in effect for Pharmacy Services performed from May 1, 2013 to March 31, 2014.

13. Notwithstanding anything else herein, the Minister reserves the right at any time and from time to time to modify, vary, cancel, make changes to and/or make additions or deletions to any and all Pharmacy Services, to any and all Fees for such Pharmacy Services, and to this Compensation Plan for Pharmacy Services.

14. Nothing herein shall in any way fetter the legislative and regulatory authority of the Minister or the Government of Alberta.

15. Nothing herein is intended to fetter the authority of the Alberta College of Pharmacists.
Section 3 – Assessments

1. **Assessment for a Prescription Renewal**
   
   (a) Subject to all the provisions herein, a Fee of $20 shall be payable for an Assessment performed by a Clinical Pharmacist that leads to a Determination which results in one or more Prescription Renewals for a Resident.
   
   (b) In order to make a Claim, the information referred to in Schedule 5(1) attached hereto must be submitted to ABC.
   
   (c) The Clinical Pharmacist performing the Pharmacy Service referred to in section 3(1)(a) above must record all the information referred to in Schedule 5(1) and Schedule 6 in the Resident’s Record at the time that such Pharmacy Service is performed.

2. **Assessment for an Adaptation of a Prescription**
   
   (a) Subject to all the provisions herein, a Fee of $20 shall be payable for an Assessment performed by a Clinical Pharmacist that leads to a Determination which results in one or more Adaptations of a Prescription for a Resident.
   
   (b) For clarity, substituting a generic Drug for the prescribed Drug is excluded from this Pharmacy Service.
   
   (c) Further, altering the formulation for a Schedule 1 Drug that has been prescribed for a Resident is also excluded from this Pharmacy Service.
   
   (d) In order to make a Claim, the information referred to in Schedule 5(2) attached hereto must be submitted to ABC.
   
   (e) The Clinical Pharmacist performing the Pharmacy Service referred to in section 3(2)(a) above must record all the information referred to in Schedule 5(2) and Schedule 6 in the Resident’s Record at the time that such Pharmacy Service is performed.

3. **Assessment for the Administration of a Product by Injection**
   
   (a) Subject to all the provisions herein, a Fee of $20 shall be payable for an Assessment performed by a Clinical Pharmacist with Authorization to Administer Injections that leads to a Determination which results in the Administration of a Product by Injection to a Resident, provided also that:
   
   (i) the Resident is 5 years of age or older; and
   
   (ii) the Product is an Eligible Product.
   
   (b) In order to make a Claim, the information referred to in Schedule 5(3) attached hereto must be submitted to ABC.
   
   (c) The Clinical Pharmacist performing the Pharmacy Service referred to in section 3(3)(a) above must record all the information referred to in Schedule 5(3) and Schedule 6 in the Resident’s Record at the time that such Pharmacy Service is performed.
4. **Assessment for Prescribing at Initial Access or to Manage Ongoing Therapy**

   (a) Subject to all the provisions herein, a Fee of $25 shall be payable for an Assessment performed by a Clinical Pharmacist with Additional Prescribing Authorization that leads to a Determination which results in Prescribing at Initial Access or to Manage Ongoing Therapy.

   (b) For clarity, a Fee is not payable where a Schedule 1 Drug or Blood Product is prescribed if the Clinical Pharmacist:

      (i) has received a recommendation that the Resident receive drug therapy from a Health Professional who is authorized to prescribe a Schedule 1 Drug or Blood Products; or

      (ii) has determined in consultation with or in conjunction with a Health Professional that a Schedule 1 Drug or Blood Products are appropriate for the Resident.

   (c) In order to make a Claim, the information referred to in Schedule 5(4) attached hereto must be submitted to ABC.

   (d) The Clinical Pharmacist performing the Pharmacy Service referred to in section 3(4)(a) above must record all the information referred to in Schedule 5(4) and Schedule 6 in the Resident’s Record at the time that such Pharmacy Service is performed.

5. **Assessment for Prescribing in an Emergency**

   (a) Subject to all the provisions herein, a Fee of $20 shall be payable for an Assessment performed by a Clinical Pharmacist that leads to a Determination which results in Prescribing in an Emergency for a Resident.

   (b) In order to make a Claim, the information referred to in Schedule 5(5) attached hereto must be submitted to ABC.

   (c) The Clinical Pharmacist performing the Pharmacy Service referred to in section 3(5)(a) above must record all the information referred to in Schedule 5(5) and Schedule 6 in the Resident’s Record at the time that such Pharmacy Service is performed.

6. **Assessment for Refusal to Fill a Prescription**

   (a) Subject to all the provisions herein, a Fee of $20 shall be payable for an Assessment performed by a Clinical Pharmacist that leads to a Determination which results in a Refusal to Fill a Prescription.

   (b) For clarity, the Fee for the Pharmacy Service referred to in section 3(6)(a) above is payable only when a Refusal to Fill a Prescription is based on one of the following: potential overuse/abuse, or a falsified or altered Prescription.

   (c) Further, a Refusal to Fill a Prescription shall not be based in part or in whole on a Clinical Pharmacist’s personal moral reasons or on the consideration that the Prescription is an early refill.

   (d) In order to make a Claim, the information referred to in Schedule 5(6) attached hereto must be submitted to ABC.

   (e) The Clinical Pharmacist performing the Pharmacy Service referred to in section 3(6)(a) above must record all the information referred to in Schedule 5(6) and Schedule 6 in the Resident’s Record at the time that such Pharmacy Service is performed.
7. **Assessment for a Trial Prescription**

(a) Subject to all the provisions herein, a Fee of $20 shall be payable for an Assessment performed by a Clinical Pharmacist that leads to a Determination which results in a Trial Prescription.

(b) For clarity, the Fee for the Pharmacy Service referred to in section 3(7)(a) above is payable for an Assessment of the Resident’s response and tolerance to the Trial Prescription before dispensing the balance of the Prescription.

(c) In order to make a Claim, the information referred to in Schedule 5(7) attached hereto must be submitted to ABC.

(d) The Clinical Pharmacist performing the Pharmacy Service referred to in section 3(7)(a) above must record all the information referred to in Schedule 5(7) and Schedule 6 in the Resident’s Record at the time that such Pharmacy Service is performed.
Section 4 - Comprehensive Annual Care Plan (CACP) and Updated CACP

1. Subject to the provisions herein, a Fee in an amount specified in sections 4(2) and 4(3) below, as applicable, shall be payable for an Assessment that results in the preparation, documentation and review with a Resident of a CACP for such Resident, provided the Resident has Complex Needs.

2. For an Assessment as referred to in section 4(1) by a Clinical Pharmacist, a Fee of $100 will be payable once per Service Year for each Resident.

3. For an Assessment as referred to in section 4(1) by a Clinical Pharmacist with Additional Prescribing Authorization, a Fee of $125 will be payable once per Service Year for each Resident.

4. Subject to the provisions herein, a Fee in an amount specified in sections 4(5) and 4(6) below, as applicable, shall be payable for a Follow-up CACP Assessment that results in the preparation, documentation and review with a Resident of an Updated CACP for such Resident, provided the Resident:
   (a) has Complex Needs;
   (b) has an in-person or telephone encounter with a Clinical Pharmacist to receive a Follow-up CACP Assessment; and
   (c) (i) is following the instructions set out in the CACP regarding a Follow-up CACP Assessment;
      (ii) has been discharged from an Approved Hospital within 14 calendar days of the date of such attendance at the Community Pharmacy; or
      (ii) has been referred by a Health Professional (other than a Clinical Pharmacist) to a Clinical Pharmacist for the purpose of a Follow-up CACP Assessment.

5. For a Follow-Up CACP Assessment as referred to in section 4(4) by a Clinical Pharmacist, a Fee of $20 will be payable for each Resident.

6. For a Follow-Up CACP Assessment as referred to in section 4(4) by a Clinical Pharmacist with Additional Prescribing Authorization, a Fee of $25 will be payable for each Resident.

7. Only one Assessment as referred to in section 4(1) shall be performed in respect of a Resident in any Service Year.

8. In order to make a Claim for any Pharmacy Service referred to in this section 4, all information referred to in Schedule 5 attached hereto which is applicable to such Pharmacy Service must be submitted to ABC.

9. The Clinical Pharmacist performing any Pharmacy Service referred to in this section 4 must record all the information referred to in Schedules 5 and 6 which are applicable to such Pharmacy Service in the Resident’s Record at the time that such Pharmacy Service is performed.

10. All of the elements identified in the CACP/Updated CACP Sample Form as set out in Schedule 1 attached hereto shall be included in a CACP or an Updated CACP, as applicable.

11. Prior to performing an Assessment to prepare and document a CACP for a Resident, a Clinical Pharmacist shall confirm that the Resident has not had a CACP prepared by a Clinical Pharmacist within the Service Year.

12. Prior to performing an Assessment to prepare and document a CACP or a Follow-Up CACP Assessment to prepare and document an Updated CACP for a Resident, a Clinical Pharmacist shall inquire from such Resident (or Resident’s Personal Representative, if appropriate) as to whether or not a Physician CCP has been previously prepared and documented for such Resident. If a Physician CCP has so been prepared and documented, the Clinical Pharmacist shall use their best efforts to obtain a copy of such Physician CCP from the Resident, the Resident’s Personal Representative or the Physician who prepared the Physician CCP prior to preparing such CACP or Updated CACP for such Resident. The inability of the Clinical Pharmacist to obtain such Physician CCP after using their best efforts to do so shall not preclude such Clinical Pharmacist from proceeding to perform such Assessment or Follow-Up CACP Assessment and preparing and documenting a CACP or Updated CACP, as appropriate.
13. Prior to performing an Assessment to prepare and document a CACP or a Follow-Up CACP Assessment to prepare and document an Updated CACP for a Resident, a Clinical Pharmacist shall inquire from such Resident (or Resident’s Personal Representative, if appropriate) as to whether or not any CACP, Updated CACP, SMMA, or Updated SMMA, regardless of the Service Year in which such document was prepared, has been previously prepared and documented for such Resident. If any such documents have so been prepared, the Clinical Pharmacist shall use their best efforts to obtain copies of all such documents from the Resident, the Resident’s Personal Representative or Clinical Pharmacist who prepared the relevant document prior to preparing a CACP or Updated CACP for such Resident in this Service Year.

14. Notwithstanding the provisions of section 4(13), in order to conduct a Follow-up Assessment for the purpose of preparing and documenting an Updated CACP for a Resident in a Service Year, a Clinical Pharmacist must have received a complete copy of such Resident’s CACP for such Service Year or Updated CACP, whichever is most recent.

15. A copy of the most recent CACP or Updated CACP, and any other CACP, Updated CACP, SMMA, or Updated SMMA obtained by the Clinical Pharmacist shall be retained on such Resident’s Record by the Community Pharmacy at which such document or documents were received.

16. Each CACP and each Updated CACP must be signed both by the Resident to whom such document relates (or such Resident’s Personal Representative, if appropriate), and by the Clinical Pharmacist who has prepared and documented such CACP or such Updated CACP, as applicable. An Updated CACP completed by telephone encounter does not require the signature of the Resident or the Resident’s Personal Representative, as applicable.

17. The Clinical Pharmacist who prepares and documents a CACP or an Updated CACP must forthwith provide a completed signed copy or summary, of such CACP or Updated CACP, as applicable, to the Resident (or such Resident’s Personal Representative, if appropriate).

18. The Clinical Pharmacist who prepares and documents a CACP or an Updated CACP must forthwith provide a completed signed copy or summary of such CACP or Updated CACP, as applicable, to other Health Professionals involved in the Resident’s health care, as identified by the Resident or the Resident’s Personal Representative, as applicable, and by such Clinical Pharmacist.

19. A Clinical Pharmacist or Pharmacy Technician at a Community Pharmacy from which a Claim is made for a Pharmacy Service referred to in this section 4 for a Resident shall provide a copy of such Resident’s CACP or Updated CACP, as applicable, to a Health Professional involved in the Resident’s health care forthwith upon a request by such Health Professional.

20. A Community Pharmacy from which a Claim is made for a Pharmacy Service referred to in this section 4 for a Resident, shall retain on such Resident’s Record such CACP or Updated CACP relating to the Claim, together with all CACPs, Updated CACPs, SMMAs, Updated SMMAs and Physician CCPs which have been received.
Section 5 - Standard Medication Management Assessment (SMMA) and Updated SMMA

1. Subject to all the provisions herein, a Fee in an amount specified in sections 5(2) and 5(3) below, as applicable, shall be payable for an Assessment that results in the preparation, documentation and review with a Resident of a SMMA for the Resident, provided the Resident has a Chronic Disease and is currently taking three or more of any Schedule 1 Drug or insulin.

2. For an Assessment as referred to in section 5(1) by a Clinical Pharmacist, a Fee of $60 will be payable once per Service Year for each Resident.

3. For an Assessment as referred to in section 5(1) by a Clinical Pharmacist with Additional Prescribing Authorization, a Fee of $75 will be payable once per Service Year for each Resident.

4. Subject to all the provisions herein, a Fee in an amount specified in sections 5(5) and 5(6) below, as applicable, shall be payable for a Follow-up SMMA Assessment that results in the preparation, documentation and review with a Resident of an Updated SMMA for the Resident, provided the Resident:

   (a) has a Chronic Disease and is currently taking three or more of any Schedule 1 Drugs or insulin. For clarity, different dosages of the same Schedule 1 Drug are not considered to be different Drugs;

   (b) has an in-person or telephone encounter with a Clinical Pharmacist to receive a Follow-up SMMA Assessment; and

   (c) (i) is following the instructions set out in the SMMA regarding a Follow-up SMMA Assessment;

      (ii) has been discharged from an Approved Hospital within 14 calendar days of the date of such attendance at the Community Pharmacy; or

      (iii) has been referred by a Health Professional (other than a Clinical Pharmacist) to a Clinical Pharmacist for the purpose of a Follow-up SMMA Assessment.

5. For a Follow-Up SMMA Assessment as referred to in section 5(4) by a Clinical Pharmacist, a Fee of $20 will be payable for each Resident.

6. For a Follow-Up SMMA Assessment as referred to in section 5(4) by a Clinical Pharmacist with Additional Prescribing Authorization, a Fee of $25 will be payable for each Resident.

7. Only one Assessment as referred to in section 5(1) shall be performed in respect of a Resident in any Service Year.

8. In order to make a Claim for any Pharmacy Service referred to in this section 5, all information referred to in Schedule 5 attached hereto which is applicable to such Pharmacy Service must be submitted to ABC.

9. The Clinical Pharmacist performing any Pharmacy Service referred to in this section 5 must record all the information referred to in Schedules 5 and 6 which are applicable to such Pharmacy Service in the Resident’s Record at the time that such Pharmacy Service is performed.

10. All of the elements identified in the SMMA/Updated SMMA Sample Form as set out in Schedule 2 attached hereto shall be included in a SMMA or an Updated SMMA, as applicable.

11. Prior to performing an Assessment to prepare and document a SMMA for a Resident, a Clinical Pharmacist shall confirm that the Resident has not had a SMMA prepared by a Clinical Pharmacist within the Service Year.

12. Prior to performing an Assessment to prepare and document a SMMA or a Follow-Up SMMA Assessment to prepare and document an Updated SMMA for a Resident, a Clinical Pharmacist shall inquire from such Resident (or Resident’s Personal Representative, if appropriate) as to whether or not a Physician CCP has been previously prepared and documented for such Resident. If a Physician CCP has so been prepared and documented, the Clinical Pharmacist shall use their best efforts to obtain a copy of such Physician CCP from the Resident, the Resident’s Personal Representative or the Physician who prepared the Physician CCP prior to preparing such SMMA or Updated SMMA for such Resident. The inability of the Clinical Pharmacist to obtain such Physician CCP after using their best efforts to do so shall not preclude such Clinical Pharmacist from proceeding to perform
such Assessment or Follow-Up SMMA Assessment and preparing and documenting a SMMA or Updated SMMA, as appropriate.

13. Prior to performing an Assessment to prepare and document a SMMA or a Follow-Up SMMA Assessment to prepare and document an Updated SMMA for a Resident, a Clinical Pharmacist shall inquire from such Resident (or Resident’s Personal Representative, if appropriate) as to whether or not any CACP, Updated CACP, SMMA, or Updated SMMA, regardless of the Service Year in which such document was prepared, has been previously prepared and documented for such Resident. If any such documents have so been prepared, the Clinical Pharmacist shall use their best efforts to obtain copies of all such documents from the Resident, the Resident’s Personal Representative or Clinical Pharmacist who prepared the relevant document prior to preparing a SMMA or Updated SMMA for such Resident in this Service Year.

14. Notwithstanding the provisions of section 5(13), in order to conduct a Follow-up SMMA Assessment for the purpose of preparing and documenting an Updated SMMA for a Resident in a Service Year, a Clinical Pharmacist must have received a complete copy of such Resident’s SMMA for such Service Year or Updated SMMA, whichever is most recent.

15. A copy of the most recent SMMA or Updated SMMA, and any other CACP, Updated CACP, SMMA, or Updated SMMA obtained by the Clinical Pharmacist shall be retained on such Resident’s Record by the Community Pharmacy at which such document or documents were received.

16. Each SMMA and each Updated SMMA must be signed both by the Resident to whom such document relates (or such Resident’s Personal Representative, if appropriate), and by the Clinical Pharmacist who has prepared and documented such SMMA or such Updated SMMA, as applicable. Where an Updated SMMA occurs through a telephone encounter then the signature of the Resident or such Resident’s Personal Representative is not required.

17. The Clinical Pharmacist who prepares and documents a SMMA or an Updated SMMA must forthwith provide a completed signed copy or summary of such SMMA or Updated SMMA, as applicable, to the Resident (or such Resident’s Personal Representative, if appropriate).

18. The Clinical Pharmacist who prepares and documents a SMMA or an Updated SMMA must forthwith provide a completed signed copy or summary of such SMMA or Updated SMMA, as applicable, to other Health Professionals involved in the Resident’s health care, as identified by the Resident or the Resident’s Personal Representative, as applicable, and by such Clinical Pharmacist.

19. A Clinical Pharmacist or Pharmacy Technician at a Community Pharmacy from which a Claim is made for a Pharmacy Service referred to in this section 5 for a Resident shall provide a copy of such Resident’s SMMA or Updated SMMA, as applicable, to a Health Professional involved in the Resident’s health care forthwith upon a request by such Health Professional.

20. A Community Pharmacy from which a Claim is made for a Pharmacy Service referred to in this section 5 for a Resident, shall retain on such Resident’s Record such SMMA or Updated SMMA relating to the Claim, together with all CACPs, Updated CACPs, SMMAs, Updated SMMAs, and Physician CCPs which have been received.

Schedule 6

Information to be Retained in a Resident’s Record

1. For each Pharmacy Service provided to a Resident by a Clinical Pharmacist, the Community Pharmacy from which a Claim was made for the Pharmacy Service shall maintain and retain the Resident’s Record in accordance with this Compensation Plan and all applicable legislation. This shall include:

   (a) The Required Data Elements as established in Schedule 5, as applicable;

   (b) A copy of the original Prescription or Prescriptions, where obtained;

   (c) A written transaction record of the Pharmacy Service performed which shall include all of the elements established in Standard 18.3 and Appendix A of the Standards;

   (d) The name and address of the location where the Pharmacy Service was performed;

   (e) A record of the notice provided to all other Health Professionals involved in the Resident’s health care regarding the Pharmacy Service; and

   (f) The information pertaining to each Pharmacy Service, as applicable, and as set out below.

2. Notwithstanding anything else herein, a Clinical Pharmacist shall obtain and retain all documentation that a Clinical Pharmacist would consider reasonable and prudent to obtain and retain, in their professional judgment, for any purpose related to this Compensation Plan, including (without limitation) for the performance of any Pharmacy Service and for any audit by ABC or Alberta Health. For clarity, nothing herein is intended to detract or derogate from all duties that a Clinical Pharmacist has with respect to record retention in all applicable legislation.

3. Where a Claim is made for the performance of a Pharmacy Service referred to in Section 4 of the Compensation Plan, in addition to the information set out in sections 1 and 2 herein, all of the following information shall be retained:

   (a) Where a CACP has been completed, a complete copy of the CACP which is signed by the Clinical Pharmacist who completed it and the Resident or the Resident’s Personal Representative, as applicable;

   (b) (i) Where an Updated CACP has been completed, a complete copy of the Updated CACP which is signed by the Clinical Pharmacist who completed it and the Resident or the Resident’s Personal Representative, as applicable. An Updated CACP completed by telephone encounter does not require the signature of the Resident or the Resident’s Personal Representative, as applicable;

      (ii) A complete copy of any previous Updated CACP completed in relation to the Updated CACP referred to in section 1(b) herein, which is signed by the Clinical Pharmacist who completed it and the Resident or Resident’s Personal Representative, as applicable. An Updated CACP completed by telephone encounter does not require the signature of the Resident or the Resident’s Personal Representative, as applicable;

      (iii) A complete copy of the CACP relating to (b)(i) and (ii) herein, which is signed by the Clinical Pharmacist who completed it and the Resident or the Resident’s Personal Representative, as applicable;

   (c) A complete copy of any SMMA, Updated SMMA, CACP or Updated CACP, as applicable, which has been completed for the Resident in a previous Service Year, where obtained by the Clinical Pharmacist; and

   (d) A copy of any Physician CCP which has been completed for the Resident, where obtained by the Clinical Pharmacist.
4. Where a Claim is made for the performance of a Pharmacy Service referred to in Section 5 of the Compensation Plan, in addition to the information set out in sections 1 and 2 herein, the following information shall be retained:

(a) Where a SMMA has been completed, a complete copy of the SMMA which is signed by the Clinical Pharmacist who completed it and the Resident or the Resident’s Personal Representative, as applicable;

(b) (i) Where an Updated SMMA has been completed, a complete copy of the Updated SMMA which is signed by the Clinical Pharmacist who completed it and the Resident or the Resident’s Personal Representative, as applicable. An Updated SMMA completed by telephone encounter does not require the signature of the Resident or the Resident’s Personal Representative, as applicable;

(ii) A complete copy of any previous Updated SMMA completed in relation to the Updated SMMA referred to in section 1(b) herein, which is signed by the Clinical Pharmacist who completed it and the Resident or Resident’s Personal Representative, as applicable. An Updated SMMA completed by telephone encounter does not require the signature of the Resident or the Resident’s Personal Representative, as applicable;

(iii) A complete copy of the SMMA relating to (b)(i) and (ii) herein, which is signed by the Clinical Pharmacist who completed it and the Resident or the Resident’s Personal Representative, where obtained and as applicable;

(c) A complete copy of any SMMA, Updated SMMA, CACP or Updated CACP, as applicable, which has been completed for the Resident in a previous Service Year, where obtained by the Clinical Pharmacist; and

(d) A copy of any Physician CCP which has been completed for the Resident, where obtained by the Clinical Pharmacist.
